

Can^{cer} not cancel My Dreams

I know that the lifestyle that I lead, the food & drink I have, the things I do or even my family history may put me at risk of having cancer.

So while I do my best to change my lifestyle to reduce this risk, I have obtained a **HNB Assurance Hope Cancer Insurance Plan** to assure me that **Cancer Cannot Cancel My Dreams.**

 - b. 100% of Sum Assured if diagnosed as Late Stage Cancer

How does the Hope Cancer Protection Plan differ from a Critical Illness Cover.
