2 BASIS OF PREPARATION

These Condensed Consolidated Interim Financial Statements of the Group and Company have been prepared in compliance with Sri Lanka Accounting Standard LKAS 34 - Interim Financial Reporting and comply with the requirements of the Companies Act, No. 7 of 2007 and the Regulation of Insurance Industry Act, No. 43 of 2000.

The same accounting policies and methods of computation as stated in the Audited Financial Statements - 2019 have been followed in preparation of these Condensed Consolidated Interim Financial Statements.

2 a) Temporary Exemption for Application of SLFRS 09

SLFRS 9 addresses the accounting for financial instruments and is effective for annual periods beginning on or after 01st January 2018. However, for an insurer that meets the criteria in paragraph 20B of SLFRS 4 (Amended) which provides a temporary exemption that permits, but does not require, the insurer to apply LKAS 39 Financial Instruments: Recognition and Measurement rather than SLFRS 9 for annual periods beginning before 01st January 2023.

Having considered the above, since HNB Assurance PLC and HNB General Insurance Limited are predominantly carrying out Insurance activities, both Companies continue to apply LKAS 39 Financial Instruments: Recognition and Measurement rather than SLFRS 9 for the annual periods beginning before 01st January 2023.

Group has not early adopted the new SLFRSs and interpretations issued but not yet effective.

Comparative information has been re-valued/re-classified where necessary, to conform to the current period recognition, measurement and presentations.

The Insurance Regulatory Commission of Sri Lanka (IRCSL) has issued Direction No. 16 on 20th March 2018 on "Identification and Treatment of One-off Surplus" and has instructed all Life Insurance Companies to comply with the Direction. Based on the Direction, Life Insurance Companies are allowed to transfer One-off surplus attributable to Policyholders' Non-Participating Fund to Shareholders' Fund. The transfer has been presented as a separate reserve in the Statement of Financial Position as "Restricted Regulatory Reserve" under Equity in accordance with the Direction above. The IRCSL had directed insurance Companies to maintain this One-off Surplus arising from change in the policy liability valuation within the Long Term Insurance Fund / Insurance Contract Liabilities separately in the name of "Surplus created due to change in valuation method from NPV to GPV" and not to transfer / distribute any part of the surplus until specific instructions are issued in this regard.
