2 BASIS OF PREPARATION

These Condensed Consolidated Interim Financial Statements of the Group and Company have been prepared in compliance with Sri Lanka Accounting Standard LKAS 34 - Interim Financial Reporting and comply with the requirements of the Companies Act, No. 7 of 2007 and the Regulation of Insurance Industry Act, No. 43 of 2000.

Temporary Exemption for Application of SLFRS 09

SLFRS 9 addresses the accounting for financial instruments and is effective for annual periods beginning on or after 1 January 2018. However, for an insurer that meets the criteria in paragraph 20B of SLFRS 4 (Amended) provides a temporary exemption that permits, but does not require, the insurer to apply LKAS 39 Financial Instruments: Recognition and Measurement rather than SLFRS 9 for annual periods beginning before 1 January 2021.

Having considered the above, since HNB Assurance PLC and HNB General Insurance Limited are predominantly carrying out Insurance activities, both Companies continue to apply LKAS 39 Financial Instruments: Recognition and Measurement rather than SLFRS 9 for annual periods beginning before 1 January 2021.

Group has not early adopted the new SLFRSs and interpretations issued but not yet effective.

Comparative information has been re-valued/re-classified where necessary, to conform to the current period recognition, measurement and presentations.

7 b) As required by the IRCSL, every registered insurer was required to apply Solvency Margin (Risk Based Capital) Rules with effect from 01st January 2016. According to the Risk Based Capital rules, all Insurers are required to value Life Insurance Policy Liabilities as per the Gross Premium Valuation (GPV) method and valuation rules and methodologies stipulated by the IRCSL. The change in the valuation method from NPV to GPV resulted in a release in Life Policyholder Liabilities of the Company as of 01st January 2016.

The IRCSL had directed insurance Companies to maintain this One-off Surplus arising from change in the policy liability valuation within the long term insurance fund / insurance contract liabilities separately in the name of "Surplus created due to change in valuation method from NPV to GPV" and not to transfer / distribute any part surplus until specific instructions are issued in this regard.

Subsequently IRCSL, through the Direction No 16 issued on 20th March 2018 on "Directions for identification and treatment of One-off Surplus", directed Life Insurance Companies to transfer One-off Surplus attributable to Policyholder Non-Participating Fund to Shareholder Fund in the relevant period. The transfer has been presented as a separate line item in the Income Statement as "Change in contract Liability due to transfer of One-off Surplus" and as a separate reserve in the Statement of Financial Position as "Restricted Regulatory Reserve" under Equity in accordance with Direction. As required by the said Direction, the Company received the approval of the IRCSL for this transfer on 11th May 2018.

Notes to the Condensed Consolidated Interim Financial Statements

Further, distribution of One-off Surplus to shareholders, held as part of the Restricted Regulatory Reserve, is subject to meeting governance requirements stipulated by the IRCSL and can only be released as dividends upon receiving approval from the IRCSL. The One-off surplus in the Shareholder Fund will remain invested in Term deposits as disclosed in Note No. 6(b) as per the direction No. 16 of IRCSL.

The Financial ratios presented in these Condensed Consolidated Interim Financial Statements have been determined in accordance with Sri Lanka Accounting Standards. Additionally the Company has voluntarily presented financial ratios without One-off surplus impact. As per the Direction One-off Surplus in respect of participating business is to be held within the participating fund as part of the unallocated valuation surplus and may only be transferred to the Shareholder Fund by means of bonuses to policyholders in line with Section 38 of the "Regulation of Insurance Industry, Act No. 43 of 2000".

7 c) Distribution of One-off Surplus

The distribution of one-off surplus to shareholders as dividends shall remain restricted until a Company develops appropriate policies and procedures for effective management of its business, as listed below.

- Bonus policy for the participating business, which should include treatment of One-off Surplus for the purpose of bonus declaration.
- Asset Liability Management policy
- Policy on internal target Capital Adequacy Ratio.
- Considerations for transfer of funds from Policyholder Fund to Shareholder Fund.

These policies should be approved by the Board of Directors of the Company and must also comply with any relevant guidance issued by IRCSL from time to time. Further IRCSL will consider the distribution of One-off Surplus when the RBC rules are revised.

The IRCSL will permit distribution of One-off Surplus subject to yearly distribution caps on a case by case basis.

17 CONTINGENCIES

- a) The Inland Revenue Department (IRD) has taken the view that Reinsurance Claims for the year of assessment 2010/2011 on General Insurance business is liable for Value Added Tax (VAT). Accordingly the Company has received a VAT Assessment on Reinsurance Claims amounting to Rs. 13.3 Million for the year of Assessment 2010/2011. This is a common assessment issued by IRD to most of the Insurance companies in the General Insurance business. However these companies are of the view that they are not liable to pay VAT on Reinsurance Claims. The Company has filed due responses in consultation with Tax Consultants and made an appeal to the Tax Appeals Commission. The TAC has granted their final determination on 26th March 2018 confirming the determination made by IRD and dismissed the appeal made by the Company. Company has filed a case in the Court of Appeal with the consultation of Tax Consultant and Company's Lawyers and the hearing is due on 06th August 2018. As such no provision is made in the Financial Statements.
- b) The Company has received an official communication from IRD stating that the Company is liable for VAT and NBT on Financial Services (FS) based on Section 25C of VAT Act, No. 14 of 2002 with the application of attributable method. According to IRD, Company has been registered to pay VAT and NBT on FS w.e.f 01st January 2014. However, insurance companies in the industry and the Company's Tax Consultant are of the view that insurance companies are not liable for VAT and NBT on FS since the Companies are in the insurance business and do not engage in the business of financial services directly. Therefore, the Company has requested the IRD to cancel the registration on VAT and NBT on FS which is the stance of the entire insurance industry. As such we expect no liability to materialise in respect of the same.
- c) The Company has received Income Tax Assessments for Life Insurance Taxation for the years of assessments 2011/2012, 2012/2013, 2013/2014, 2014/2015 and 2015/2016. These Assessments were issued by the Inland Revenue Department in contrary to the Section 92 of Inland Revenue Act, No. 10 of 2016. Further, these Income Tax Assessments have been common Assessments for all Life Insurance companies in the insurance industry. It is the view of the industry and the Company's Tax Consultant that these assessments will not materialize. Therefore no additional provision has been made in the Financial Statements.

The Company has duly appealed against these Assessments in consultation with Tax Consultants and the status of each Assessment is provided in the table below,

Year of Assessment	Status of Assessment	Nature of contingent impact to the company	Measurement of contingent impact to the company
