17 CONTINGENCIES

- a) The Inland Revenue Department has taken the view that reinsurance claims for the year of assessment 2010/11 on General insurance business is liable for Value Added Tax (VAT). Accordingly the Company has received a VAT Assessment on Reinsurance Claims amounted to Rs. 13.3 Million for the year of Assessment 2010/2011. This has been a common assessment to most of the Insurance Companies who are in the General Insurance business, issued by Inland Revenue Department (IRD). However the Companies in the insurance industry are of the strong view that they are not liable to pay VAT on Reinsurance claims. The Company has filed due responses in consultation with Tax Consultants and has made an appeal to the Tax Appeals Commission and an appeal hearing was held on the 16th June 2016. The Tax Appeals Commission requested HNBA and the IRD to submit a written appeal in order to grant the final decision. The Company submitted the written appeal on 21st of July 2016 through the tax consultants and are yet to receive a response from the Tax Appeals Commission. The Company has obtained a Bank Guarantee of Rs 3.3 Million against the appeal made. As such the Company is of the strong view that no additional Tax liabilities will arise due to this Assessment. No further response has been received on this matter as of the date of authorising these Consolidated Financial Statements. VAT on Reinsurance Claims and Commissions has been exempted by the Inland Revenue Department w.e.f. 1st January 2011. This is an indication that realisation of this liability is remote.
- b) The Company has received an official communication from IRD stating that the Company is liable for VAT and NBT on Financial Service (FS). The IRD is of the view that HNBA liability has arisen based on section 25C of VAT Act No 14 of 2002 with the application of attributable method. Accordingly, it stated that the Company has registered to pay VAT and NBT on FS w.e.f 01st January 2014. However, Companies who are in Insurance Industry and our Tax Consultants are of the view that insurance companies are not liable for VAT and NBT on FS, as the Companies are in the insurance business and do not engage in the business of financial service directly. Therefore, the Company has requested the IRD to cancel the registration on VAT and NBT on FS which is the stance of the entire insurance industry. As such we expect no liability to materialise in respect of the same.
- c) The Company has received a Tax Intimation letter on Life Insurance Taxation for Y/A 2011/2012. However, no Assessment has been issued yet on this intimation. We have filed a response highlighting our view, which was done in consultation with Tax Consultants. However, as per the request of the IRD, we participated in the hearing held at their premises on 25th July 2016 and we were asked to provide a written submission. We made the written submission through our Tax Consultants on 15th August 2016 to IRD. Based on the hearing held and written submission, IRD sent a letter of determination on 20th December 2016 and determine to confirm the assessment. However the Company opposed with the said determination hence the Company submitted a letter of intention to appeal in the Tax Appeals Commission with the consultation of Tax consultants. On 08th February 2017 Company received the reasons for determination from IRD and through our tax consultant we filed a written appeal on 09th March 2017, and the appeal hearing is to be held on 07th December 2017. Even if this tax intimation would materialised against the Company, the Tax Loss recorded will come down by Rs. 310 Million.

Notes to the Condensed Consolidated Interim Financial Statements

- d) The Company has received a Notice of Assessment for Life Insurance taxation for the year of assessment 2012/2013 and filed a petition of appeal through the Tax Consultants and the Company is of the strong view that no additional tax liability will arise due to this. Even in the event that this Assessment would materialise against the Company, no additional tax liability is required for the Company since the Company has accumulated tax losses. However, the accumulated tax loss of the Life Business will come down by Rs. 278 Million.
- e) The Company has received a Notice of Assessment for Life Insurance taxation for the year of assessment 2013/2014 and filed a petition of appeal through the Tax Consultants. In the event that this Assessment would materialise against the Company, there will be a tax liability of Rs 132 Million after utilising all available tax losses. However, the Company together with Tax Consultants are of the strong view that the liability raised in this assessment would not materialise.
- f) The Company has received a Notice of Assessment for Life Insurance taxation for the year of assessment 2014/2015 and filed a petition of appeal through the Tax Consultants. According to the basis of the IRD, in the event that this Assessment would materialise against the Company, there will be a tax liability of Rs 136 Million after utilising all available brought forward tax losses. However, the Company together with Tax Consultants are of the strong view that the liabilities raised in this assessment would not materialise.
- In the opinion of the Directors, and in consultation with the Company Lawyers, litigations currently pending against the Company would not have a material impact on the reported Interim Financial Results of the Company. All pending litigations for claims have been evaluated and adequate provisions have been made in these Financial Statements where necessary.
